Publicist: Julien Fernandez

Technical Needs:

1 x boom mic stand

1 x straight mic stand

2 x ¼" DI boxes, unbalanced, to be hard panned left and right on the main board
(or One Stereo DI box)

1 x keyboard stand - two tier if possible

1 x microphone

1 x XLR Microphone Cable

1 x small table (at least 3'W x 2'L x 3'H)

1 x stage monitor

Mixing desk OUT channels on stage:

2 outputs XLR to monitors/venue

Michael Durek's microphone is preferably straight to the desk in the venue, for smaller venues he can be on the mixer.

1 Laptop Out LEFT

2 Laptop Out RIGHT

3 Michael Durek's Microphone
